

## SPECIFICATION

### 360° Versatility, 100% Productivity

A notebook that is as versatile as you are! With an innovative flexi-hinge, the iOTA 360 can fully rotate to give you the ability to work and play in the way that fits your lifestyle the best.

### Four Modes, Limitless Possibilities!

The iOTA 360 has four distinctive and versatile modes to choose from – 'Notebook' is great for typing up emails or creating that killer presentation, 'Tablet' allows you to kick back and enjoy watching videos, playing games, and reading or listening to music at home or on the go, 'Theatre' mode for watching movies when commuting and 'Tent' mode for following recipes or streaming your favourite TV series.

The HD display with TN Technology means that images are displayed with breath-taking clarity from any angle. The iOTA 360 also comes fully equipped with Windows 10, providing an amazing user experience that's jam packed with awesome features!
